Staff members must inform themselves of the restrictions of the Copyright Act and adhere to the *Fair Dealing Guidelines* that address copyright law (CMEC Copyright Consortium).

### **Alcohol, tobacco, electronic cigarettes, recreational cannabis and related products, and illegal drugs**

The use of these products is strictly prohibited while on school property, at any school-related or school-sponsored event, or on the school bus.

Smoking and vaping are prohibited in all buildings and on all property owned, leased, and operated by the NCDSB, as well as on school buses or other school-sponsored transportation. This applies to parking lots as well, and smoking/vaping cannot occur while in a vehicle parked in a board-operated parking lot. In accordance with the *Smoke Free Ontario Act*, no person may smoke within 20 meters of any school property.

### **Attendance**

Regular attendance and punctuality by all members of the school community is essential to support student success. Student attendance is compulsory as described in the *Education Act* and it is the parent/guardian responsibility to ensure students attend school. In case of a student absence or late arrival, the parent/guardian must inform the school in advance. Students in elementary schools are not permitted to leave school property during regular school hours without the principal receiving a confirmation of parental permission. Parents/Guardians must also contact the school should there be a change required to the daily dismissal routine.

A **SAFE ARRIVAL PROGRAM** is in effect at St. Jerome School. Parents are asked to call the school and leave a message whenever their child will be absent or late otherwise your child will be considered **TRUANT**. Where there are other siblings attending St. Jerome School, a note from the parent regarding the other child's/children's absence is acceptable. The school secretary will call parents at home or at work if she does not receive attendance verification from the parent. Should your child have an appointment that requires him/her to leave throughout the day we ask that you send a note to the classroom teacher indicating when the child will be picked up and if he/she is expected to return. Students who are absent from school will be responsible for completing any work that was missed. Chronic absences will be monitored, reported and addressed to the School Board.

### **Care and Respect for Property and Grounds**

School community members share responsibility for helping to keep school buildings, grounds, and adjacent neighborhoods clean and safe. Use of garbage cans and recycling bins to dispose of waste is expected at all times. All borrowed materials (i.e. textbooks, laptops, tools, etc.) must be returned in clean and working conditions. Damage to any borrowed material must be reported immediately. Willful

damage or vandalism to any borrowed material, or to any property, building, or grounds, is not permitted and may require restitution by the person inflicting the damage.

### **Dress Code**

Members of the school community are expected to dress in a tidy and modest manner that supports full participation in their required daily activities. Clothing, jewelry, or other visible items that are deemed by the principal to be offensive in any way, including to race, gender, or Christian teachings, are not permitted. Clothing that promotes alcohol, drugs, vulgar language, tobacco products or violence are not permitted. In all cases where staff or student uniform policies have been adopted, staff and students are required to dress according to such policies. If the dress code is not adhered to, principals will address the individual to seek compliance. Students will be asked to change the clothing and parents will be notified.

At St. Jerome school students are to dress appropriately for a school environment. Offensive clothing, offensive slogans on clothing, short shorts, and spaghetti string shirts are considered inappropriate school attire. Please ensure that your son/daughter is dressed appropriately for all types of weather (snow, sun, rain etc.)

In winter, we strongly recommend a warm snowsuit with a hat, scarves and mittens. In summer, dress straps need to be three fingers wide. No ball caps are to be worn inside the school.

**All students are required to have a pair of inside shoes to wear in the school which MUST be worn at all times.**

Students requiring any prescription or over-the-counter medication during the school day must comply with all expectations of the *NCDSB Provision of Health Support Services in Schools* procedure (APE012).

### **Photographs, Digital Images, and Audio/Video Recording**

School community members are expected to respect the privacy rights of others and refrain from taking pictures or capturing audio or video recordings of any person on school property without first obtaining the permission of every person included in the image or recording. Permission must also be obtained to share images or recordings in any format (i.e. printing, digitally sharing via email or social media apps, etc.). Schools will obtain permission from parents/guardians for the purposes of including students in images and recordings within the enrolment registration and update process. Schools will also provide notice in areas where video surveillance is occurring for safety purposes, in accordance with *NCDSB Policy I-1: Video Surveillance*. It is recommended that students take steps to limit their involvement in

taking pictures or recording others on school property, and to ensure permission is obtained if proceeding with this activity.

### **Responsible Use of Information and Communication Technology**

School community members who are granted access to the Internet through the board network must abide by the provisions of the *Responsible Use of Information and Community Technology* policy (I-2) and related procedures (API001). Staff and students are required to acknowledge their review of the acceptable use provisions each year. Online activity is monitored and access to inappropriate or illegal material is prohibited.

### **Search and Seizure**

Desks and lockers and other storage spaces are school property and as such there is to be no expectation of privacy on the part of students. A search of any storage space is permissible by the school administrator. In this case, the principal or the vice-principal is acting under the authority of the *Education Act* to maintain proper order and discipline in the school, and not as an agent of the police.

### **Use of Personal Mobile Devices During Instructional Time**

Personal mobile devices may not be used during instructional time unless access is required for health or medical purposes, as authorized by the principal. There are limited instances that permit staff to access a personal mobile device for work-related purposes.
