Christmas Concert

The students from Pope Francis Elementary School performed our annual Christmas Concert on Tuesday, December 17th. The performance took place at OHS and it was a packed house. Entry to the concert was a non-perishable food item. All food items and donations went to the Timmins Food Bank.

On behalf of the school community, I would like to thank Mrs. Vachon, Miss Kos and their team for their dedication and time, preparing for this wonderful event.
