

Home of the **CARDINALS!**

Students are Back and Enjoying the Learning!!!

The students, parents and staff of Pope Francis Elementary School were excited to begin school this year! Staff began establishing routines and students are thrilled to meet new friends and get back to learning!

All new Year 1 students began on September 9th. They were welcomed by staff and Mr. Berthier, who presented these students with a Pope Francis Elementary School Cardinal shirt.

Father John took time out of his busy schedule to come and visit each classes with Mr. Berthier.

“Thanks for setting the stage for a great year. There is a wonderful, positive feeling working here at Pope Francis Elementary School!”
