

# Home of the **CARDINALS!**

## Welcome Night

Students and parents were welcomed at Pope Francis Elementary School on Thursday. Students had the chance to show their parents the school, their classroom and some of their work. Families also had the chance meet a number of staff members and have a few treats while touring the school. A special thank you goes out to the staff and Father John for taking the time out of their schedules to be part of this special night.
